

CORPORATE SOCIAL RESPONSIBILITY

We prioritize investing in our people, fostering a culture of continuous learning and professional development. Our dedication to sustainability drives us to implement environmentally responsible practices, ensuring the protection of our planet for future generations. Adhering to strict ISO standards, we maintain the highest levels of quality and safety in the maritime industry, striving for excellence in every aspect of our operations.

People

Our people are the backbone of Cargo Care Solutions. With extensive experience in hydraulic and mechanical equipment for the maritime and offshore industries, our team is well-equipped to meet the highest standards. Continuous in-house training and certifications, ensure our staff remains at the forefront of industry developments. We are committed to fair, transparent, and merit-based hiring practices that attract top talent aligned with our company culture. As an equal-opportunity employer, we embrace diversity and inclusion, fostering a workplace where everyone has the opportunity to contribute and thrive. By investing in our people, we ensure that Cargo Care Solutions remains a leader in the maritime industry.

ESG

Cargo Care Solutions is dedicated to environmental stewardship, understanding the critical role we play in protecting the planet. We actively work to reduce our carbon footprint through energy-efficient technologies, resource optimization, and waste minimization. Our commitment to

sustainability extends to our supply chain, where we prioritize responsible sourcing and collaborate with suppliers who share our environmental values. We also support biodiversity conservation and ecosystem protection through sustainable land and water management practices. By continuously improving our operations and engaging our employees and stakeholders, we aim to raise awareness of environmental issues and promote sustainable behaviors. Our partnerships with governments, communities, and industry organizations further our goal of contributing to a greener, healthier world.

ISO certification

Cargo Care Solutions is proud to be certified by DNV under the DIN EN 9001:2015 standard. This certification underscores our commitment to continuous improvement, ensuring that we consistently meet and exceed customer and regulatory requirements. By adhering to these stringent standards, we enhance our performance, build trust with our customers, and maintain our reputation for excellence in the maritime industry.
